## Message from Miss Hackett

We are all so proud of all of our children, their approach to learning and behaviour.

We have many visitors that commend our school on the children's positive attitude to learning and their outstanding behaviour. Children are working hard to receive their house points and follow the diamond rules each day and are working towards their Gold Award.

Thank you for your support over the last couple of months, attending our class assemblies for the Foundation Stage to Year 5. The children have loved sharing their curriculum with you and celebrating their passion for learning within our exciting curriculum subjects. We enhance our curriculum further by incorporating 'Picture News' resources into our curriculum to create engaging and exciting lessons, allowing opportunities for children to learn about our world, develop independence, resilience, respect and unlock their own drive and passion for learning. Teaching the news not only provides great content and stimulus and grips children's attention, it is also something that the children can impact. It is current, happening now and so their voice is given meaning and purpose allowing the children to understand it is our world and we all matter. We believe in giving children a voice and encouraging them to use it to impact things they are inspired by or feel passionately about.

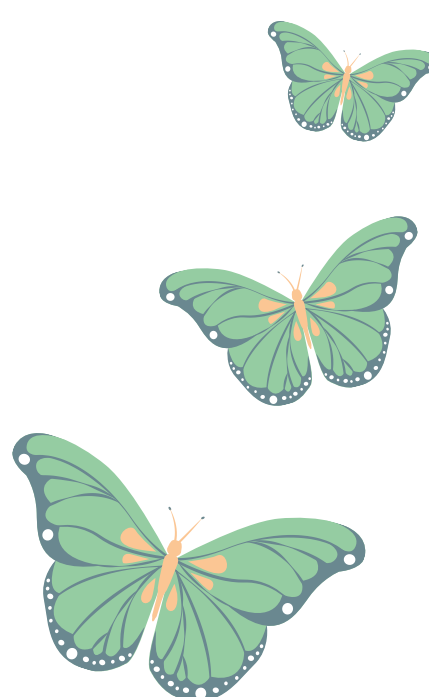

School will not be open to children on Friday 24th May and will reopen on Monday 3rd June.

We are proud to be such a sought after school as it is a reflection of our hard working staff team, children and supportive parents and governors.

## Other news

Children in KS1 enjoyed being scientists last week. Aveea delivered a workshop and supported the children in making their own bath bombs - the school smelt lovely! Great work KS1!

It is great to see our school garden looking so tidy with fresh fruits and vegetables starting to grow. A massive thank you to our volunteer gardener, Mrs O'Hara for her continued hard work and planting with the children.

## Sports update

For this years sports and well-being week, the children will be taking part in a number of activities throughout the week commencing the 24th June. EYFS and KS1 will have their Sports Day on Thursday 27th June and KS2 will have theirs on Friday 28th June. Your child will need to arrive in suitable sports clothes that are their houses colour and suitable footwear.

Please see below what colour each house is:

Resilience - Blue

Empathy - Yellow

Respect - Red

Reflection - Green

If you are unsure which house your child is in, please see their class teacher. Parents/carers are more than welcome to spectate their child's/children's activity session. Please see the sports day letter for the timetable.

As the warm weather is slowly upon us, we have started to take our PE lessons outside, so please ensure your child has the correct footwear and clothing, thank you for your support with this.
