EYFS Maths Session

Dear parent(s)/carer(s),

At New Lubbesthorpe Primary School, EYFS parents are invited to attend our annual Maths session on Wednesday 30th September at 3.30pm until 4.00pm. This will be an opportunity to share information about how your child will access the EYFS Maths Curriculum and offer advice regarding how to support your child at home. This event will take place in one of our other classrooms and your child's class teacher will meet you on the playground.

Due to current Covid guidelines in schools, we can only permit one parent per child to attend this event and unfortunately, we cannot allow children to attend. We kindly ask that you also wear a face mask or covering whilst attending this event. If you would like to attend, please could you add your name to the sign-up sheet which will be allocated on Rabbits' classroom window (if your child is in Mrs Gittins' class) or Hares' classroom door (if your child is in Mrs Pell's class). You will be able to sign-up from Friday 25th September until Tuesday 29th September.

We look forward to seeing you and we would like to take this opportunity to thank you for your continued support with your child's learning.

Kind regards,

Mrs Gittins and Mrs Pell

CEO/HEADTEACHER: Mr P Merry
