

Friday 16th September 2022

Maths Session

Dear parent(s)/carer(s),

At New Lubbesthorpe Primary School, EYFS parents are invited to attend our annual Maths session on Thursday 22nd September at 3.15pm until 4.00pm. This will be an opportunity to share information about how Maths is taught in Early Years Foundation Stage and offer advice regarding how to support your child at home with the development of their mathematical skills. This event will take place in the main hall and parents are asked to leave their children (along with siblings in other classes) in the EYFS classrooms with our EYFS team of LSA's. Please use the main entrance to enter into school for this event. Once you collect your child/ren from the EYFS classroom, you can depart through the main entrance which can be accessed from the playground. Staff will be on hand to show you where to go.

If you would like to attend, please could you add your name to the sign-up sheet which will be allocated on Rabbits' classroom window (if your child is in Mrs Gittins' class) or Hares' classroom window (if your child is in Miss Brookes' class). You will be able to sign-up from Friday 16th September until Wednesday 21st September.

We look forward to seeing you and we would like to take this opportunity to thank you for your continued support with your child's learning.

Kind regards,

Mrs Gittins and Miss Brookes

HEADTEACHER: Miss N Hackett
