Message from Miss Fackett

It was fantastic to receive the excellent feedback regarding the progress the children are making after our recent parents evening. Thank you for attending parents evening; if you have not booked a parents evening please contact the school office and we would be more than happy to arrange an appointment for you.

I cannot help but beam with pride at the hard work and fantastic learning I can see taking place every single day.

Thank you to all of the parents and members of the community who have visited the school to talk about their work. The children have thoroughly enjoyed finding out about future careers. If you would like to join our ongoing project and talk about your job, please contact your child's class teacher.

We would like to wish you a wonderful holiday. School opens on Monday 26th February.

Safer internet day

We recently celebrated Safer Internet Day and children took part in activities around the importance of staying safe online. Thank you to our parents that have already completed the National Online Safety parent course. We are delighted to announce that due to our school's dedication to our online safety curriculum, we have been awarded the National Online Safety award for the second year and are now proud to continue to be a National Online Safety certified school. Thank you to our children, staff and parents for all your hard work in helping us achieve this.

To complete this parent course, please follow <https://nationalonlinesafety.com/enrol/new-lubbesthorpe-primary-school> to sign up.

When you're set up, you'll be able to set 'Parent/Carer' as your user type. Use the search function at the top of the page or the menu down the left-hand side of the home screen to navigate the content. As a school, we thoroughly recommend that all parents complete the course titled 'Annual Award in Online Safety for Parents & Carers of Children aged 3-7' or 'Annual Award in Online Safety for Parents & Carers of Children aged 7-11', depending on your child's age group.

World Book Day - 7th March

We all have a favourite story, right? The one that fires our imagination, fills us with wonder and lets our spirit soar? Books have a huge part to play in our lives and World Book Day is the perfect time to celebrate those stories that mean the most to us.

Thank you to all of our children and families who visited the book fayre yesterday. It was a great success and it was amazing to see our children showing a real love and enthusiasm for reading. Due to your purchases, the school have earned commission to spend on more books – Thank you!

World Book Day is on Thursday 7th March. On this day, it will be non-school uniform and your child is invited to attend school dressed-up as a book character of their choice. There will be various exciting and engaging reading related activities during the day for the children in the classrooms.

Safer internet day Year 6

For Safer Internet Day, Year 6 had a visit from our local police to discuss ways in which we should stay safe when using the internet and online gaming. This consolidated the learning the children did in the Autumn term at Warning Zone and what they've learnt in their Online Safety computing topic. The children showed responsibility and respect whilst we had our visitors, additionally they shared great insights as to what they do to all stay safe when online.

Sports update

Thank you to all of the children in KS1 that have worked hard to compete in the gymnastics competition last week – you showed resilience and courage. Next half term we have a before school nerf wars club for KS1 and KS2 and an after school fencing club for KS2 – children were extremely excited in the launch assembly on Monday. Next half term, we will be introducing a new EYFS after-school multi-sports club which will be held on a Friday. Thank you for your continued support with before and after-school clubs.

Chinese New Year

Happy Lunar New Year to any families that have been celebrating this. Last week the children were busy participating in different activities to celebrate Chinese New Year. The children have been doing lots of learning about it and even took part in a dance workshop to celebrate the year of the dragon. All children showed our school values and were showing courage during their dance workshop

2024

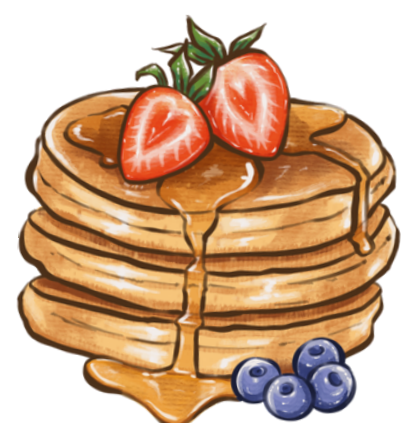

Shrove Tuesday

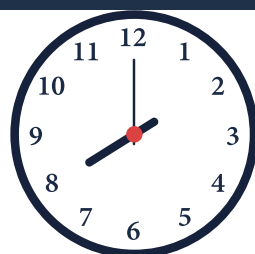

We have been celebrating Shrove Tuesday in school this week as this is the feast leading up to Lent. The children have been participating in a pancake flip competition which was so much fun! Please return any sponsorship money to the office.

Happy Pancake Day!

Absence/Lateness

Please can we remind all parents to call or email the school office on (0116) 2169963 or office@newlubbethorpe.leics.sch.uk as early as possible on the days your child unwell and not attending school.

Please could we remind you that the school gates are opened at 8.45am every morning. Please could you ensure that your child is at school by 8.45am and in school by 9.00am. Late comers may cause disruption to the start of lessons and also additional work for all staff.

Thank you for your support with this matter

PTA

The pta would like to thank all children, parents and carers for their fantastic support and participation in the first ever New Lubbethorpe pancake flipping challenge. It was wonderful to see the children having a go at flipping the pancakes on Monday and everyone really enjoyed Tuesdays assembly, where the best flipper from each class showed courage and showcased their skills to the whole school! Well done to all children. The pancake treat sale after school on Tuesday was a huge success- it was a sell out and we made just under £50 profit!

A huge thank you to everybody for their generous support with the pancake flipping sponsorship, the total amount raised will be revealed after the half term break. All money raised is going to be used to help purchase some new staging equipment.

The PTA wishes everybody a brilliant half term break.
