

NEW LUBBESTHORPE PRIMARY SCHOOL NEWSLETTER

March 2024

Message from Miss Hackett

It has been wonderful to see so many parents coming into school over the last couple of weeks. The pupils have thoroughly enjoyed performing their class assemblies and sharing their curriculum. Thank you so much for all of your support. Please see the dates for your diary section of the newsletter for any future assemblies and other events.

We have had a very exciting time celebrating World Book Week and taking part in lots of book related activities. The younger children have enjoyed working with our older children to read books and complete activities. As part of our Book Week celebrations, New Lubbesthorpe was transformed into a colourful world of book characters as we celebrated World Book Day! Across the school, children and adults with their classes had fun exploring the characters and books that they were representing. Thank you for the part that you played with resourcing costumes and helping your child to bring their book character to life.

Our older children enjoy engaging in a variety of roles and responsibilities across the school, this helps develop their confidence and understanding of the value of responsibility and supports with the transition to secondary school.

The secret to success

Below are the nine areas that we believe will create a fulfilled, curious, and independent learner.

Parking

Please continue to park considerately at drop off and pick up times to ensure there is space down the centre of the layby for cars to get through. Please can I remind you not to park in our local residence car parking spaces. Thank you for your support with this matter.

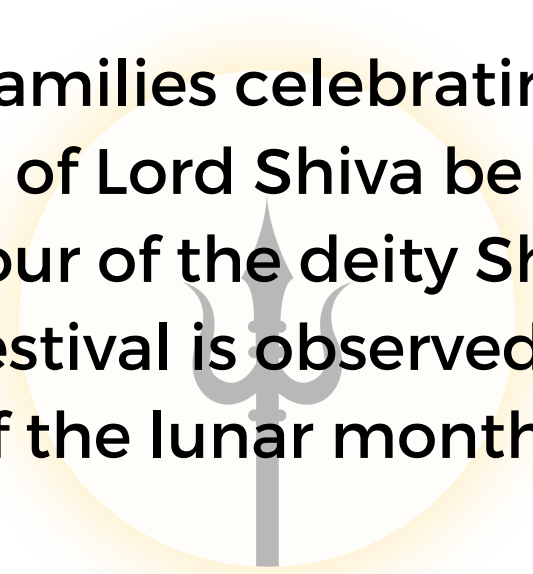

Ramadan

We would like to say a Ramadan Mubarak to any of our families that will be celebrating Ramadan. May Ramadan bring you prosperity and joy. Wishing you a happy, healthy and meaningful holy month. We have started our celebrations off in school with our assembly all about Ramadan and Eid. The children were able to see some decorations that may be used in some homes during this celebration period. We also had some children read a speech about how and what they do to celebrate Ramadan, including how they are going to be fasting.

Maha Shivarati

We would also like to wish any of our families celebrating Maha Shivarati a blessed and joyful celebration. May the divine blessings of Lord Shiva be with you. Maha Shivaratri is a Hindu festival celebrated annually in honour of the deity Shiva, between February and March. According to the Hindu calendar, the festival is observed on the fourteenth day of the dark half of the lunar month.

Sports update

Nerf wars and fencing have started this half term and the children are loving these new and exciting physical activities – thank you for your support. Some children in KS2 have been to a football event and have met an ex professional football, children had lots of questions and represented New Lubbesthorpe well! Thank you and well done!
